## This week's PB4L Focus: Celebrations and Goal Setting

In classes this week learners have been asked to reflect on how the term has gone and participate in goal setting for Term 3. Children should be encouraged to share and celebrate with you what they are most proud of, what they feel they have improved the most and what their next goals will be to work towards during Term 3.

## He aha te aha? What's on top? - with Mr Kaiser.

Celebrating Term 2 and learning progress

It is appropriate on the last day of term to celebrate all the hard work of staff and children at school over this term. The continuing spread of COVID in the community presented many challenges, especially with staff and student absences. Despite this we have worked hard to bring back many of the 'normal' events and routines at school. As principal I set the goal that we would stay open each school day to enable children to get some consistency back at school, and for parents to get on with their regular lives knowing their children are safe at school.

Over the term teachers have worked hard to support children's learning progress. This week we emailed home Progress Reports and we held Parent/Teacher/Student conferences to share learning successes. Thank you to the very many parents who took advantage of the opportunity to meet with their child's teacher at school. It was a long day of work for teachers but one which is usually very satisfying for teachers. I know many teachers felt very affirmed and appreciated by the parents of children in their classes.

To all our students, well done for the learning progress that you have made.

To all our parents and whanau, a big thank you for your support and generosity with the Explore-Athon fundraiser and student learning. Our children learned lots of new facts and knowledge. Together we have raised over \$12,000 for the school. This money will enable the school to provide extras for your children. This is an amazing achievement.

To everyone, I wish a happy school holiday. If you are travelling during the holidays, then please go safely. School opens again for the start of Term 3 on Monday 25th July.

## Board Elections - Think about nominating someone for the board elections!

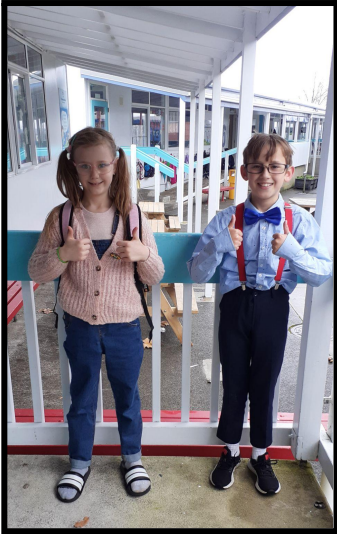

I remind parents and whanau to send in nomination forms for the Board elections. We have already received some nominations and expect to receive more over the coming weeks. Nominations close at noon on Friday 5th August.

Peter Kaiser

## Dress up Day at school to celebration the Explorathon

Wishing our students, whānau, staff and the school community a very happy holiday.  
We look forward to seeing all students back at school on Monday 25 July.

## Spare clothes – Wet weather

Please pack a spare set of clothes in your child's school bag. During the winter terms, our field and grass areas around the school get wet and soggy and at times, children do slip over and get muddy. Our teachers do their best to encourage children to stick to the pathways and to keep off the field when it is very wet. Children learn best when they are warm and dry.

### Tirimoana Quiz Night - Friday 2nd September

Our Quiz Night is back!

- Theme your team and dress up.
