Kia Orāna kōtou kātoatoa

This week's PB4L Focus: Showing Compassion & Acknowledging Others' Efforts

Teachers and learners have been sharing powerful, positive and specific feedback towards others. Acknowledging the learners and their peers' efforts. When we identify and recognize the importance or quality of someone's efforts, that person subsequently feels seen, heard and understood.

He aha te aha? What's on top? - with Mr Kaiser.

Board Elections

Nominations for election as a parent representative on the Tirimoana School Board closed at 12 midday yesterday. At close of nominations, we had received 7 valid nominations for 5 places. Therefore an election will take place.

Thank you to the parents that put their names forward for the election. It is a tribute to each of them that they are willing to serve as board members on behalf of the school community. It is very pleasing to see a good range of candidates.

They are:

Matthew Britton
Leeza Kendall
Anna Lemalu
Patrick Morrison
Aleem Shah
Ben Wood
James Yu

Voting papers will be issued to parents on 10 August and Election Day (by which all voting papers need to be handed or in the post) is 7 September. The official count will be on 13 September and the new board takes office from the 14th onwards. Jenny Atkins is the official Returning Officer for the elections.

Spare clothes – Wet weather

Please pack a spare set of clothes in your child's school bag. During the winter terms, our field and grass areas around the school get wet and soggy and at times, children do slip over and get muddy. Our teachers do their best to encourage children to stick to the pathways and to keep off the field when it is very wet. Children learn best when they are warm and dry.

Music Education Centre

"Instrumental music lessons are available right here at school!!! Our school partners with the Music Education Centre to offer one to one instruction to our students on-site. For busy parents, the convenience of these lessons makes it easier for your child to both have FUN and gain the educational benefits of learning an instrument."

In addition to the lessons here at school the Music Education Centre offers a wide variety of instruments through its centres outside of school time, including a specialist programme for younger beginners (under 7 years of age). This is often the best way for the under 7's to get started moving on to in-school lessons when they are that little bit older.

To find out more information or to book for lessons here at school or at the centres visit their website www.musiceducation.co.nz and submit your details, or contact them directly by phone on 0800 89 39 39
