He aha te aha? What's on top? - with Mr Kaiser.

New Zealand Youth Peace Week - International Peace Week

This week has been NZ Youth Peace Week, with schools all over the country promoting understanding and practises that promote a peaceful society and world. Young children are still learning about how to resolve their differences peacefully so at our school we teach Positive Behaviour for Learning (and Play). We teach children about agreeing on rules, taking turns, playing fairly and resolving disputes responsibly. When staff observe positive behavior we praise children and give them 'Tiri Tickets' which they collect for future rewards.

When disputes are not resolved responsibly, teachers intervene to engage children in peaceful conflict resolution and restorative conversations. These sometimes include a consequence (ie punishment) for wrongdoing.

We also teach children about the difference between Accidental hurt, Unkindness and Bullying.

What is Bullying at Tirimoana School?		
When someone does or says something that hurts you BUT they didn't mean to	When someone does or says something that hurts you AND they meant to	When someone keeps on doing or saying things that hurt you ON PURPOSE even when you've asked them to stop
that's an <i>accident</i>	that's <i>unkind</i>	that's <i>bullying</i>
What to do Accept their apology and offer of help	What to do Get help from a CARE Ambassador or a Teacher and have a restorative conversation	What to do Get help from a Teacher and have a restorative conversation that includes an agreed consequence
'Everyone's right to be safe and respected' 		

At school we have student leaders, the Piwakawaka Fan Club, and CARE Ambassadors to help children in the playground.

In senior classes we discuss conflicts that are happening around the world, and we teach children to be thankful they live in New Zealand where the rule of law is upheld, where Police can be trusted and where our armed forces support peacekeeping around the world under the leadership of the United Nations. This week we flew a Peace Flag from our flagpole and we taught children about the Atom bombs that exploded over the cities of Hiroshima and Nagasaki at the close of World War 2 in Japan (6th and 9th August, 1945).

Together, teachers and parents, can help this generation of young Kiwis to be good, positive, peaceful citizens.

Board Elections

Voting papers have now been posted to parents' addresses. Please note mail delivery is slow but keep an eye out in your letter boxes for the voting papers. Voting papers have been issued to all parents who are on our school electoral roll. This roll is now closed so the school can not issue any further voting

papers. **Voting papers must be returned to the school office and placed in the ballot box which is in the office.** Parents may drop them off personally, or give them to your children in their school bag. Teachers will remind children to check their school bags. **All voting papers must be returned to the school by 4pm on 7 September.**

Alternatively voting papers may be returned to school by post. These must be received by 12 September. **The count day is 13 September.**

If you have any queries please contact the Returning Officer, Jenny Atkins.

Car Parking in Metric Place

The school has received complaints from residents in Metric Place about parents parking illegally, blocking driveways and parking over grass lawn areas. Please be more respectful when parking, even for a brief time in Metric Place.

Metric Place is a small, congested street so we recommend that parents park in Finlow Drive. Your children can safely cross Divich Avenue over the supervised crossing point to get to Finlow Drive.

Chewing gum at school

Please remind your child that we do not allow chewing gum at school. We have recently found a lot of chewed gum on our school grounds which is unpleasant.

Day to Day Relief Teachers required

Do you know of any teachers who would like to join our day to day relief teacher list?

We are updating our day to day relief teacher list. If you, (or know of someone) who would like to work at our school please contact Jenny .

First Aid

Many of our staff participated in a First Aid course on Tuesday afternoon/evening.

We learnt many different first aid skills including the DRS ABCD which is a helpful reminder of what to do in an emergency situation.

We also had refresher training on how to use a defibrillator. We have a defibrillator here on site ready to use if a situation arises.

D ANGER	Assess your surroundings for potential dangers and get to a safe place, if necessary	
R ESPONSE	Check if the person can respond to you. Ask their name, gentle shake their shoulder. If not responding, move to next step	
S END HELP	Call 000 or ask someone else to. Follow instructions/questions of the operator	
A AIRWAY	Open airway, look for any obstructions, maintain neutral head position	
B REATHING	Look, listen and feel for breathing. If not breathing, begin CPR	
C PR	Begin CPR by applying 30 chest compressions, followed by two breaths into the patient's mouth	
D EFIBRILLATOR	Use a Defibrillator and follow the prompts

3 Free Books	\$70

Spare clothes – Wet weather

Please pack a spare set of clothes in your child's school bag. During the winter terms, our field and grass areas around the school get wet and soggy and at times, children do slip over and get muddy. Our teachers do their best to encourage children to stick to the pathways and to keep off the field when it is very wet. Children learn best when they are warm and dry.

Lost Property- there are lots of shoes and clothing items in the Lost Property Box (Outside the hall)

Come and have a look! Please name ALL your child's items.

Music Education Centre

"Instrumental music lessons are available right here at school!!! Our school partners with the Music Education Centre to offer one to one instruction to our students on-site. For busy parents, the convenience of these lessons makes it easier for your child to both have FUN and gain the educational benefits of learning an instrument."

In addition to the lessons here at school the Music Education Centre offers a wide variety of instruments through its centres outside of school time, including a specialist programme for younger beginners (under 7 years of age). This is often the best way for the under 7's to get started moving on to in-school lessons when they are that little bit older.

To find out more information or to book for lessons here at school or at the centres visit their website www.musiceducation.co.nz and submit your details, or contact them directly by phone on 0800 89 39 39
