### This week's PB4L Focus: Creating Games

This week to complete our term focus on play, teachers and children have been inventive and creating new ways to play. This has given learners the opportunity to highlight their way of thinking, their creativity, their mindset and their artistic qualities. We encourage learners to continue to create new games with their friends and family over the summer break.

#### Celebrating Learning

Over the past two weeks we have been busy celebrating the learning success of all children at Tirimoana School. Primary school teachers lay the foundations for future learning; they teach children how to learn and how to become ongoing, successful learners for the years ahead.

Congratulations to all our children, and special congratulations to those who have received awards (listed below).

Thank you to our teachers and support staff for their role teaching our children over the year, and to all our staff (teachers, support staff, office staff - Jenny, Shirley and Jean, and our caretakers) for their work this year.

### Classes for Next Year

We have shared classes for next year, with children and families. These class lists remain draft through to the end of the second week in February, in case we need to make any changes.

### School Office Hours

The school office remains open till midday on Tuesday 20 December. It opens again from 9.00am on Monday 23rd January, 2023.

Best wishes to all our staff, students, parents and whanau for the Christmas Season and for the Summer holidays.

Meri Kirihimete
