**This week's PB4L Focus: School Wide Expectations in Different Settings**

This week classes have revisited their classroom matrix to help learners act responsibly in multiple school settings.

- How do we act when we are in the .....
  - [hall, library, playground, on trips etc.]
- What are our desired behaviours?

When learners know the desired expectations within multiple settings it allows them to build confidence, make decisions and take credit for their actions. They learn to be valued, trusted and more self-reliant.

**He aha te aha? What's on top? - with Mr Kaiser.**

**Teachers' Strike Action**

School returns to normal today, Friday 17th March, with our teachers back at work. We know the strike will have been a disruption for families and we are hopeful that there will be no further industrial action.

Our teachers are employed on 3 year employment agreements negotiated by the Ministry of Education and NZEI (Primary Teachers Union). The NZEI has requested improvements in pay and conditions of employment in line with secondary teachers. Like all workers, teachers feel the impact of cost of living increases and inflation on their salaries.

In the Education sector, most teachers are members of either the NZEI (Primary Teachers Union) or the PPTA (Secondary Teachers Union). Individual schools cannot set teacher salaries because they are all based on a national award. Therefore any industrial action is nationwide and affects every school.

**Changing Season - Autumn is on its way!**

We are now at the end of summer, with early Autumn cooler mornings. Soon we will experience cooler days as well so many children may need extra uniform items. In the office we have a good supply of new school uniform items including warmer jackets. The PTA is planning a second hand uniform sale just before the start of Term 2. Parents are welcome

to pop into the office to purchase additional uniform items at any time.

**Class photos on Monday**

We ask that all students be in the correct school uniform.
