This week's PB4L Focus: Digital Citizenship - A Responsible Digital Identity

This week classes have been thinking about what we share online and with who. Teachers have been asking learners to discuss the pros and cons of creating an identity that reflects us correctly and how some things we post may be perceived in different ways. Please continue these conversations at home with your son or daughter and help them to understand the importance of being honest and responsible with their digital posts.

He aha te aha? What's on top? - with Mr Kaiser.

Sunshine and Blue Skies Make a Happy School!

This week, despite the cold weather, we have all enjoyed the sunshine! The longer range weather forecast is for a week of sunny weather ahead.

School has supplies of warm winter jackets and warm Tirimoana beanies for sale in the office.

Tiri Bike Trail

Next week we will formally open our new bike trail with a ceremony on Monday afternoon, at 1.35pm with a ribbon cutting and a selection of children riding the new bikes. Thank you to The Trusts Community Foundation, the Grassroots Trust, Bike On New Zealand, Tu Manawa Trust and the Tirimoana PTA for the grants that enabled us to construct the bike trail. Thanks to Trail Pro for the actual construction.

Football Zonal Tournament

Today our school football teams played in the inter-school football tournament, held at Neil Avenue Park. All our children played well and had a great time. Congratulations to the Girls team which won first place in the girls' division, and to the Boys' team which after a nail-biting finish in the final, came second place. Our development team had a great day learning the skills of football and enjoying their games.

Year 4 Stargazing

On Wednesday evening our Year 4 classes came to school after dark, with their teachers, to study the night sky. Children used a special app on ipads to identify stars and constellations. We all admired planet Venus which was bright and low in the western sky. Children also made their own constellations and enjoyed hot milo and marshmallows! It was a great, fun, memorable event for these children.

Book Exchange

Tomorrow is the last day for dropping off books at school for the book exchange. Please drop any books off in the hall from 8.30am. Children will be able to participate in a book exchange using tokens on Monday at lunchtime. Thank you to everyone who donated books.

Readathon Quiz is on Monday !

All students who complete the quiz will receive 2 tickets to add to the prize buckets. Every morning this week we have been asking different quiz questions over the school intercom. When the class answers correctly they receive a class certificate to display on their classroom window.

Encourage your children to keep learning their Athon set of questions over the weekend ready for Monday!

From Tuesday afternoon onwards we will be calling children up to the library to add their tickets to the prize buckets . Every \$2 sponsorship money gives your child a ticket.

Please continue to support your child obtaining sponsorship money.

Can you help mark the A-Thon quiz on Monday?

Please ring or email Jenny if you are able to help.
