This week's PB4L Focus: Acting Responsible On the Bike Track

This week classes have discussed acting responsible around the bike track and keeping ourselves safe when using the track. In class children have thought about where it is safe for them to play while the bike track is being used and how to safely move around, near the bike track. Teachers are creating a "Look, Think, Play" classroom matrix to do with bike safety.

He aha te tupu i Tirimoana?

We hope you all had a safe and wonderful holiday with your family. Term 3 has started well with students and teachers refreshed and ready for a busy term of learning. This term, our major focus will be on Science/ Pūtaiao learning, with classes preparing to showcase learning during the Science Expo at the end of the term.

What's happening at Tirimoana?

Welcome to new and returning staff

Welcome back to Mrs Kezia Meiring. Mrs Meiring has returned from maternity leave to open our newest Year 0 class in Room 3. Kezia is working 4 days a week , with Mrs Elvina Bier being the 5th day teacher. Welcome to Tirimoana School Elvina.

We also welcome 3 new Teacher Aides who have joined us in term 3 to support some of our learners; Ms Michelle Minchen, Ms Carlie Stewart and Ms Santa-Lija Moughan.

Welcome to the Tirimoana School Community.

Kapa Haka and Pasifika groups performing tomorrow at Te Atatu Penninsula Community Centre

Tirimoana Kapa Haka and Pasifika groups will be performing at the Kāhui Ako schools Matariki Event on Friday 21st July, Te Atatu Peninsula Community Centre.

Tirimoana performance times will be 10.45 and 11.30am.

You are welcome to view the performances via the live stream link below

Best of luck to all the performers and a big thank you to Whaea Kura, Mrs Christensen, Mrs Keys and Lindsay Verstaval for supporting these students.

Attendance

Our focus continues this term for all students to attend school for at least 90% of the school year. Your child's attendance percentage was included on their mid year report, please contact the school to discuss how we can help you improve attending school over the second half of the year.

90% attendance means no more than 5 days absence across a 10 week term.

We are asking you to:

If your child is going to be absent from school you should let the school know as soon as possible.

You need to let us know why your child is away and for how long.

You can contact us via the school app, email or phone call.

What school is doing:

Your child's safety and wellbeing is a priority for the school. If your child doesn't turn up to school we will be concerned for their safety.

If the school doesn't hear from you, we will get in touch with you to make sure your child is okay.

If your child is away for more than 3 days without you contacting us, the classroom teacher will contact you to see how your child is doing.

If there are repeated absences, the classroom teacher will also make contact with you to enquire about your child.

Using the Bike Track at Lunchtimes

Students are able to use the bike track on select days (with school bikes and children's own bikes from home) at lunchtimes. This roster (and usage) will be revised in a few weeks time and will most likely change to accommodate more year levels.

ALL riders MUST wear a Helmet and 'closed toe' shoes.

Monday: Year 6 students Tuesday: Year 5 students Wednesday: Year 4 students Thursday: Year 3 students

Bring a change of clothes to school in case your child falls in the mud. The field is closed, there are still muddy areas beside the track.

Friday: Scooter Day

On Fridays, all children are welcome to bring their scooters from home to scoot on the bike track. ALL children must wear a helmet (from home) and wear closed toe shoes. Scooters need to be parked outside classrooms.

No bikes will be on track on a Friday.

Using the school grounds on the weekend

If you and your family are enjoying our school grounds over the weekend and see anyone vandalising our school or neighbours property, we ask that you please alert the appropriate authorities.

We like having our school grounds open to the public to enjoy and would like this to continue.

Dear Parents/Guardians,

We're very glad to let you know that we've recently joined the KickStart Breakfast programme!

We believe breakfast is the most important meal of the day, and we'll now be providing Sanitarium Weet-Bix[™] and Anchor[™] Milk to our students while they're at school. The programme is a partnership between Ministry of Social Development, Sanitarium and Fonterra, and has been running successfully nationwide for over 12 years.

Breakfast club will provide an engaging environment that encourages students to develop social skills, take on extra responsibility and grow academically while enjoying a healthy breakfast.

Our Breakfast Club will be open to all, and we look forward to watching the programme grow in our school.

Te Whatu Ora – Health New Zealand

This winter, between Monday 12 June and Saturday 30 September, participating community pharmacies in Auckland will provide a Minor Health Conditions Service for Māori and Pacific people, children aged under 14 years, and community service card holders.

The service allows pharmacists to have a clinical consultation and provide advice as well as medication if needed for a select set of minor health conditions at no cost to the patient.

It also includes whānau members of a child with similar symptoms. For example, if the pharmacist determines your child needs treatment for scabies and they have older brothers or sisters, or you yourself also have symptoms, they may provide advice and medication for all of you.

The following health conditions are included in the Minor Health Conditions Service:

Acute diarrhoea	Dehydration	Eye inflammation and infections	Scabies
Headlice	Pain and fever	Eczema/Dermatitis	Minor skin infections

If your condition needs further support, the pharmacist can tell you the best place to go to get further help

Let's spread the word to our friends and whānau about this new service! It's also important to remember that you can always speak to your local pharmacist for free health advice, even if you are not eligible for this service.

Participating pharmacies can be found by going to HealthPoint and searching "Minor Health Conditions". You can also find a list here <u>Go Well This Winter</u>.
