Te Wiki o Te Reo Māori at Tirimoana School this week

Many classes signed up today to participate in the Maori Language moment at 12pm today . Ka Pai!

This week's PB4L Focus: Digital Literacies - Be a Critical Creator and Consumer

This week classes focussed on Digital Literacies. How to be a digital creator and consumer, and respect the rights of others. Learners have been encouraged to give credit for using parts of others' work, and to be discerning about what they see and hear online whether it is true or untrue. Help your son or daughter to make good decisions when using information online.

Wacky Hair Day- Friday 15 September

Come to school on Friday the 15th September with 'Wacky' hair!

This could be a wig, a hat, coloured hair or a crazy hair style.

Students are to wear their school uniform.

Countdown to End of Term

Next week is the final week of term, with **school closing on Friday 22 September at 3.00pm**, for a 2 week break.

We are always aware that by the end of a term children are tired and sometimes therefore find it more difficult to self-manage small issues of disagreement in the playground. Children are also more likely to injure themselves near the end of term. Please be aware that teachers understand this and do our best to support children. If your children are tired, grumpy, upset then this may be due to being tired and ready for a break.

Kia ora and Welcome to

**Is your child leaving Tirimoana School?
Please - let us know**

If your child is moving school at the end of the term, please let the school office know. This will help us with your child's transition to their new school.

Second Hand Uniforms- seeking donations

Seeking donations of good quality second hand uniforms that no longer fit your children. We want to hold a second hand uniform sale next term but we are very low on stock, especially big sizes. Please send them to the office.

Thank you.

Chocolates

Thank you all so much for the support that you have given to the Chocolate Fundraiser.

**Please return all chocolate money back to school.
Thank you.**

School Drop Offs and Pickups

We remind our school community that **everyone's** safety is important at school drop off and pick up time.

- Please ensure that you are stopping your vehicle in the correct places, not on the yellow lines.
- Please ensure your children use the crossings and cross safely.
- If you are late to school and the patrols have finished, please walk your children across safely.

Auckland Transport regularly patrol and ticket vehicles that are not obeying the road rules outside our school gates.

Tirimoana Road- Please cross at the crossing to help keep your children safe.

We encourage ALL parents to make sure that their children cross at the designated crossing on Tirimoana Road. Please **do not** call your children across the road opposite the walkway. This is not safe. Encouraging your child to walk a small way up and cross at the crossing will keep them safe. Thank you for your support in this matter.

Term 4 Water Skills for Life Programme

Coming Up: Next term Y3 - 6 students will take part in a **Water Skills for Life programme**. This is part of our school-wide Physical Education curriculum.

The **5 x 1 hour sessions** teach children the skills and knowledge they need to assess risk and make responsible decisions around water.

Lessons are held at Peninsula Primary School indoor pool facility and by Swimsation Swim School instructors. Children will travel by bus to and from the pool. There is no cost to parents.

Session Times:

Every Thursday or Friday from 12 Oct (Week 1) to 10 November (Week 5). Please refer to your child's teacher notices for individual class times.

Support from home:

- ❖ Name all togs, towels, goggles
- ❖ Plastic bag or swim bag for wet togs
- ❖ Tips on getting dried and dressed quickly (talk with your child)

Health and Safety Messaging

Pertussis (whooping cough) is currently causing concern in our community.

Symptoms include:

- Runny nose
- Fever
- Dry cough – that turns into long coughing attacks.
- In young children, the coughing ends with a 'whoop' sound.
- Children may be sick or gag, and babies can stop breathing.

Infants under 12 months are most at risk, but it can still be distressing for older children and adults.

Fun After Three: Looking for new staff:

We are currently looking for a new staff member to work with us after school.

This would suit a University student or parent. Afternoon starts at three.
