This week's PB4L Focus: Showing Compassion and Accepting Differences

This week classes have discussed understanding differences in each other, appreciating our diversities and thinking before we say something that is unkind. Children have been learning that through accepting others' differences and similarities we open doors to many new possibilities, make better decisions and improve our self confidence. Please discuss with your child about being inclusive of others.

He aha te tupu i Tirimoana? What's happening at Tirimoana?

Dear Parents / whānau

This week our Year 6 students have been at camp at Carey Park, along with some of our staff and supported by many parents. They have had a great time, and return to school tomorrow afternoon.

At school our other classes are busy with their learning, and in some classes, doing some assessments this week. Everyone is enjoying the mostly fine weather!

School gates do not open until 8am

We remind parents that children should not be at school before 8am unless they are in the Before School Care programme in the hall. Our caretakers do not open all our gates until 8am. This especially applies to the Tirimoana Road gate.

Plant containers

We are currently seeking some large plant containers (pots). If you have any unwanted plant pots please drop them off at the office. We plan to repot some plants from smaller pots into larger ones.

Enrolments for 5 Year Olds for 2024

I remind all parents to pre-enrol your child if they are turning 5 some time next year. We need the names and dates of birth for all 5 year old new entrant children for next year. This is especially important if you live outside of our school zone. Please telephone the school office or email Mrs Hammond dale.hammond@tirimoana.school.nz if you need more information.
