This week's PB4L Focus: Demonstrating Effort and Making Learning Count

This week learners have been discussing the importance of putting effort into returning to class quickly and on time for learning. Teachers and learners have been sharing that when we do this, we are demonstrating respect and compassion for our teachers and fellow students. This improves efficiency and allows teaching to begin on time.

He aha te tupu i Tirimoana? What's happening at Tirimoana?

Great Grandparents Morning

There was a wonderful turnout of grandparents spending time with their grandchildren on Monday morning. Thank you to the PTA for setting up the morning tea. Thanks to the Board and Staff who contributed to the morning tea.

Fruit

Our learners have been enjoying the fruit bowl in the office. Thank you to Lunch with Crunch and the Te Atatu Fruit and Vege Shop who regularly support this initiative.

We would love more donations of fruit to keep this initiative going. If you have excess fruit from fruit trees at home or would like to donate a bag of fruit, please see Mrs Matthews.

Health and Wellbeing Messages

Many families are finding that head lice are a problem currently. Working together helps us to protect our children.

Please regularly check your child's hair for head lice and treat as required. If you require more support with treatment, please contact Mrs Matthews at julie.matthews@tirimoana.school.nz who can contact the Public Health Nurse.

If your child has long hair, we recommend tying it up so that it is away from their face.

Enrolments for 5 Year Olds for 2024

I remind all parents to pre-enrol your child if they are turning 5 some time next year. We need the names and dates of birth for all 5 year old new entrant children for next year. This is especially important if you live outside of our school zone. Please telephone the school office or email Mrs Hammond dale.hammond@tirimoana.school.nz if you need more information.

Is your child leaving Tirimoana School at the end of the year? Please - let us know

If your child is moving school at the end of the school year (we know Year 6 students move onto Intermediate) - please let the school office know.

This will help us with your child's transition to their new school and will help us form classes for 2024.

Roberts Road / Te Atatu Road Intersection :

The intersection of Roberts Road and Te Atatu Road is being upgraded to a signalised intersection with traffic lights, including safe crossings for those who walk or cycle in this area.

Auckland Transport have been asked to upgrade this intersection to make it safer for those who are wanting to turn out of Roberts Road onto Te Atatu Road, especially at busy times.

There will be improvements made to the crossing at the shops and to the footpaths during the works to make sure cyclists and pedestrians, especially children, access their local amenities safely.

This work is being done as a part of the Te Atatu T2 Lanes project and will include changing the layout of Te Atatu Road to provide an extra lane. This will serve as a T2 lane towards the motorway.

Whilst the intersection works are underway, it is a good idea to plan ahead and allow a little more time for your journey in the area.

We appreciate your patience in working with us to make Te Atatu South safer for all road users!

For more information about the works, kindly visit this [page](#) on our website or email us at ATEngagement@at.govt.nz
