Thursday 28 March 2024

This week's PB4L Focus: Managing Emotions | Showing Compassion

This week learners have been discussing emotions and different strategies we can use to help manage our emotions. Classes have been discussing taking responsibility for our emotions and actions related to emotions. This has included using I statements and understanding the differences between an accident, being unkind or bullying over time. Teachers will continue discussing these themes next week too. Please help your child with strategies to manage feelings responsibly and understand the difference between an accident, unkind behaviour or bullying.

He aha te tupu i Tirimoana! What's happening at Tirimoana!

Music Performances at School

This week we hosted a music performance for all children with a guest presenter playing a variety of instruments and engaging children in playing them. Russell worked across all classes over two days. He also showed children how to make their own instruments and shared some of his own. This music performance was fully funded by our school for all learners.

Rangeview Intermediate Young Scientists

Today Rangeview Intermediate School sent a team of Year 7 & 8 students to share their science learning and scientific experiments with our Year 6 classes. Thank you to the principal, Mr Jesmond Filipo, for organising this opportunity.

Easter Holiday

I remind all parents and whānau that all schools close for Easter and do not re-open till Wednesday 3 April. Therefore school is closed on Friday 29th, Monday 1st April and Tuesday 2nd April.

We wish all our families a safe and happy Easter to families who celebrate the Christian Easter festival.

Ngā mihi
Peter Kaiser
Principal

**PLEASE
NOTE..**

School is closed on Tuesday 2 April

This year Easter falls outside of the school holidays. Schools are closed on this day as a mandatory holiday as instructed by the Ministry of Education.

Please make suitable arrangements for your child to stay home on this day.

Parent Information Evening: Tuesday 9th April starting at 7.00pm

**Tirimoana School**
Discover Your Talents

Parent Information Evening
Tuesday 9 April
7.00pm

We will share with you information on the schools response to Government education initiatives, our school 2024 strategic goals, the new Tirimoana Graduate Profile and much more!

Our Kapa Haka group will be opening the evening 

There will be an outdoor fun activity for the children (more information to come)

It would be great to see all our Tirimoana families. See you there!

Parking Before and After School

Some may have noticed an increased presence from Auckland Transport around the school before and after school. We have not asked for them to come but they have noticed many vehicles parking illegally at the Kokiri and Metric exits and have started to patrol these areas more regularly. Please remember that before and after school it is a no parking zone for most of Metric Place. Please ensure that you park legally and do not park across driveways, on yellow lines or double park.

Is your child leaving Tirimoana School? Please - let us know

If your child is moving school at the end of the term, please let the school office know. This will help us with your child's transition to their new school.

Easter Raffle - Congratulations to the Easter Raffle Winners!

Year 1	Yasamin	Xanthe
Year 2	Yasna	

PTS (Project Twin Stream) Community day:

Last Friday, the 22nd March a team of workers from Project Twin Stream and Fletchers Living donated their skills and time in weeding and tidying up the loose debris and tree branches in Te Rakau Whenua. They were supported by a small group of our Year 6 Enviro team. They all worked together to create a tidy looking Te Rakau Whenua.

Thank you PTS- community and Fletcher Living for your time and support.

SWIMSATION SWIM SCHOOL

Swimsation has enjoyed having your child's school at our pool learning key swimming and water safety skills this term. Often, we see swimming as a summer activity, but our facilities allow it to be year-round.

- Indoors
- Pool water at a toasty 32 degrees!
- Make-up lessons when your child is sick.

We would love to continue to assist your child with their water safety journey. [Please feel free to contact us to find](#)

[out more information and/or book a free trial.](#)
