Community Resources
for whānau: Helpful
Services and Support
2024

“Nāu te rourou, nāku te rourou, ka ora ai te iwi”
*In the community, everybody has something to offer and
by working together we can all flourish.*

Community Resources for whānau: Helpful Services and Support

These services are tailored specifically for our community, with locals helping locals. Many of these agencies provide a variety of services all in one place.

HEALTH & WELLBEING

Antara - Natural health clinic

[Antara Free Natural health Club](#)

The Clinic is situated in Te Atatu, Auckland, and serves people in the community who cannot afford to pay for counseling or other natural health care modalities.

We can help with depression, stress, anxiety, back and shoulder problems, pain, allergies, asthma, arthritis and many more ailments.

Just a thought

[Just a thought](#)

Just a Thought offers free cognitive behavioural therapy (CBT) courses to all New Zealanders.

OTHER

Free Data

[zero.govt.nz](#)
