This week's PB4L Focus: Acting Responsibly

This week, we revisited our classroom matrix to ensure we continue acting responsibly, especially as we near the end of the year. Students reflected on what makes a good classroom environment and discussed ways to stay on track with our classroom expectations. It's a great time to set personal goals for success and remind ourselves that everyone has the right to learn in a positive space. Ask your child what goals they've set for themselves this term!

He aha te tupu i Tirimoana!

Dear Parents and Whānau

The first week of school for Term 4 is almost over. Ahead of us we have 8 weeks and a couple of extra days before school closes for the year! Teachers will make the most of this time to focus on learners at school who need that extra boost to meet expectations by the end of the year.

Over the term teachers will also be busy reviewing learner progress, conducting assessments and preparing end of year school reports.

New Teacher and a New Class

This term we welcome a new teacher joining our teaching team. Her name is Stacey Zoutenbier, and she is teaching the Room 23 class of Year 3 learners.

We also opened our last small class for 5 year old new entrant learners, in Room 24 with Miss Jolene Telfer.

TEACHER ONLY DAY

Teacher Only Day

Next Friday all Te Atatu South schools will be closed for a Ministry of Education Teacher Only Day. Our teachers will be looking closely at the new curriculum in English and Mathematics.

Please make sure that you have made suitable arrangements for your children because school will be closed for instruction on Friday 25

October.

Labour Weekend

That weekend following the Teacher Only Day will be Labour Weekend. Most businesses and schools will be closed for Labour Day on Monday 28 October.

The Kiwee Sports programme is a great introduction to different sports to help develop physical skills and game awareness. It's a great way for young kids to get an insight into a sport they might want to take up.

We focus on a different sport and the skills involved every 2-3 weeks. These include Basketball, Futsal, and Badminton (Racquet sport).

Each session has an element of general fitness, stretching and warm-ups.

The programme is designed for young kids to get physically active and try out different sports.

It's aimed at kids aged 6-9 years who like being active and are ready to take up playing a sport at school or for a club.

24 October to 12 December 2024.
